

**Equipment Replacement Program**  
**Deductible Schedule**  
 05/2011 Update

Approved claims with a date of loss prior to April 19, 2009 will be charged a **\$50 non-refundable deductible**, regardless of phone model.

Approved claims with a date of loss on or after April 19, 2009, will be charged a deductible per the Equipment Tier table below.

- **Important:** Customers with losses on phone models in Equipment Tier 2 starting April 19, 2009 will be processed at the **\$100.00 non-refundable deductible**, regardless of the date the phone was purchased.

The comprehensive list on this website is updated regularly to include new models. Some phones introduced under Equipment Tier 2 (\$100.00 deductible) may be moved to Equipment Tier 1 (\$50.00 deductible) during their lifecycle.

If you are not certain of the model of your phone, refer to your original receipt or you may be able to determine the model by following these steps: Turn your phone's power off. Carefully remove the battery cover and the battery. The model is typically printed on the white label located under the battery.

This list is changed from time to time. Please check this list any time your equipment changes.

To determine what tier your device is in, please see the table below. If you do not see your phone model in the following list, please contact Asurion at 800-584-3666.				
<b>Equipment Tier 2</b> <b>\$100 Non-refundable Deductible</b>
