

Hear what the NASCAR NEXTEL Cup Series™ drivers are saying as they battle for the checkered flag. Listen to crews talk pit strategies, track conditions, car handling, and more – live during each NASCAR NEXTEL Cup Series race with Nextel FanScan® In-Car Audio. FanScan audio is available on all Nextel phones as a phone call. Nextel Online® service is not required to subscribe to or access the FanScan service. Long distance and airtime charges apply – FanScan audio does not use a toll-free number.

#### SUBSCRIBING TO NEXTEL FANSCAN INCAR AUDIO

Subscription can be made at any time prior to or during each NASCAR NEXTEL Cup Series race. Simply follow one of the following three options to subscribe.

##### Via Phone Call

1. From your Nextel phone, dial \*RACE (\*7223) and press the **Send** key.
2. Follow the prompts to complete the registry.

##### Via Nextel Online Web Services on your phone

1. From the idle screen, press the **Menu** key.
2. Select **Net**.
3. Select **Web Sites**, then select **Sports**.
4. Select **Nextel Cup**, then select **Nextel FanScan**.
5. Follow the prompts to complete the registry.

##### Via Nextel.com on your Personal Computer

1. Go to [www.nextel.com](http://www.nextel.com) and log in to MyNextel.
2. Go to [www.nextel.com/fanscan](http://www.nextel.com/fanscan) and select the Buy Now link.

3. Choose a Monthly Subscription or Single Race Pass, enter your Nextel phone number, and submit the order by clicking Buy Now.

#### ACCESSING FANSCAN

Once you have purchased your subscription, you can access Nextel FanScan In-Car Audio at any time during a NASCAR NEXTEL Cup Series race by following either of the two options listed below:

##### Via Phone Call

From your Nextel phone, dial \*RACE (\*7223) and press the **Send** key.

##### Via Nextel Online Web Services

1. From your Nextel phone through Nextel Online Web Services.
2. From the idle screen, press the **Menu** key.
3. Select **Net**.
4. Select **Web Sites**, then select **Sports**.
5. Select **Nextel Cup**, then select **Nextel FanScan**.

#### NAVIGATING DURING A FANSCAN IN-CAR AUDIO CALL

During a Nextel FanScan In-Car Audio call, there are several prompts for you to navigate through the service.

##### Listen to the Conversations of over 20 Drivers

Press the # key to select the Nextel Cup Scan feature, which monitors communications from over 20 drivers at once.

##### Jump to a Specific Featured Driver

Press the driver's car number followed by # to jump to a specific driver. If you enter a number for

a driver that is not available as a featured driver, you will be returned to the Nextel Cup Scan.

##### Access the Menu of Featured Drivers

Select the \* key at any time to return to the main menu for a list of the featured drivers for the current race.

#### FEATURED DRIVERS AVAILABLE\*

Featured drivers during past Nextel FanScan broadcasts include:

#2 Rusty Wallace

#6 Mark Martin

#8 Dale Earnhardt, Jr.

#12 Ryan Newman

#15 Michael Waltrip

#24 Jeff Gordon®

#29 Kevin Harvick

#48 Jimmie Johnson

#88 Dale Jarrett

Plus: the Nextel Cup Scan feature to listen to over 20 drivers at once.

\* List of available featured drivers is subject to change each race.
